

Observance of World No Smoking Day

World No Smoking Day was observed on 10-03-2021 in the College. The objective was to spread awareness against use of tobacco by Cigarettes or through any other mode. Principal Dr (Mrs) Suresh Boora addressed and advised students, staff members especially the male employees that we all know that smoking is injurious to health and everyone should stay away from smoking, she further added that college premises is already declared Non Smoking zone and if anyone found indulged in smoking then this act will be punishable. Event was organised by Eco Club, Women Cell and NSS units.
