

Eco Friendly Diwali Celebration on 13th November, 2020

To spread the message of using domestic and indigenous items for decorating our homes on Diwali, Diyas and Pot decoration competition was organised under Women Cell and Community College. Students decorated earthen Diyas and pots in the wonderful and creative ways with colours, laces, mirrors etc. Teachers and students also purchased some beautiful diyas for their homes. Principal Dr (Mrs) Suresh Boora appreciated the efforts of students and extended wishes that may the festival of lights illuminate the lives of every one. All the teachers were present on the occasion and 22 students participated in this activity.
