

World AIDs Day (1st December, 2020)

World AIDs Day was observed today under the aegis of Red Ribbon Club, NSS units, Women Cell and Red Cross Club of the College. Series of events namely Rangoli and Poster Making Competition, Hand printing giving messages on HIV/AIDS were organised. Students were also given the pledge by raising their hands for adopting the simple and restraint life. Principal Dr (Mrs) Suresh Boora said while addressing the students that today's youth is the prime target of HIV/AIDS. Appropriate knowledge about the causes and repercussions of HIV infection, understanding and knowing of misconception of HIV/AIDS and adoption of the healthy lifestyles are some preconditions which will help in keeping the youth away from this dreaded disease. Dr Parmila, Dr Seemant, Dr Namita, Dr Sumita, Mrs Shalini, Mrs Permila, Dr Pardeep, Dr Vijaydeep helped in organising the events. 150 students and 9 teachers spread awareness regarding prevention of HIV/AIDS.

Rangoli Making and Hand printing for instilling awareness among common mass
