PROPOSAL FOR ORGANISING AND HOLDING ONE DAY SEMINAR

Topic :“Road Safety”

Relevance/Importance of Topic:-

Road Safety is a multi-sectoral and multi-dimensional subject. It includes orderly development and management of roads, provision of safer vehicles and a comprehensive response to accidents. It relies on modern traffic management systems and practices, improved safety standards in design, construction, operation and maintenance of roads and production and maintenance of safer vehicles. Considering the gravity of the situation, there is consensus that concerted measures are necessary for reducing this high level of accident deaths and injuries through improved safety measures and traffic management. So there is an urgent need to organise seminars on road safety to overcome the upcoming disasters.
